

CARES Act

Coronavirus Aid, Rel...

DON'T MISS OUT

on the opportunity to protect students, staff, and visitors by securing cleaning, disinfecting and hand hygiene products for your school.

Under the CARES Act, the federal government is providing approximately 31 billion in emergency education funding to students, schools, institutions, and states across the country. **This funding would cover a wide range of activities including cleaning and sanitizing schools.** Funding under the CARES Act must be spent, and any unused funding must be returned.

The CARES funding covers Spartan solutions for disinfecting high touch surfaces, providing on-demand sanitizing capabilities, training staff, and managing work requests, tasks lists and quality inspections.
